BATHS GUIDE

YOUR VISIT

RESERVATIONS

Advance reservations for bathing, classes and treatments are strongly recommended.

ARRIVAL

Please arrive on time for your reservation to allow for check-in and a brief orientation with your host.

BATHING VISITS

Visits are scheduled in 2.5-hour sessions. Out of respect for fellow guests, late arrivals may experience a shortened visit. Please check out at reception at the close of your reserved time.

WHAT TO BRING

Swimsuits are required. Towels and slippers are provided. Robes are available to rent. We recommend leaving valuables at home or in your hotel room. *We are not responsible for the loss of personal items.*

PRIVACY

Our changing area features an open co-ed space and two private curtained changing rooms. Any photographs you take of the space must not include the bodies of other guests.

TOILETRIES & PERSONAL CARE

Our Baths are stocked with clean botanical formulas for face and body, free of synthetic fragrance. You may only use products provided or available in our retail shop in communal areas. Personal toiletries are welcome in the private shower and vanity spaces, but we ask that you leave anything strongly perfumed at home.

SOUND

We are a living space. In the Baths, Spa and Studio, the sounds of others are likely to texture your experience. We ask that all remain mindful of keeping voices low in all areas.

BATHS ETIQUETTE

To preserve a calm and restorative atmosphere for all guests:

- ~ Mobile phones must be silenced.
- ~ Photography and video are permitted, but please be subtle, and ensure your images don't capture guests who are not members of your party.
- ~ Public displays of affection should be considerate of those around you.
- ~ Wear provided slippers—floors may be warm or slippery.
- ~ Rinse before using the pools and steam room.

Behavior that disrupts the environment or the comfort of fellow guests may result in being asked to leave, without refund.

CIRCUIT RITUAL

Our Baths include steam, cold plunge, and hydrotherapy environments. We encourage you to move through the space at your own pace and listen to your body. We recommend:

- ~ Beginning with shorter heat sessions (5–10 minutes).
- ~ Cooling gradually before entering cold pools.
- ~ Resting between heat and cold cycles.
- ~ Staying hydrated throughout your visit.

HEALTH & SAFETY

Please exit any space immediately if you feel dizzy, lightheaded, or uncomfortable. Our hosts are always available to assist.

Please wear the provided sandals at all times, as floors are slippery when wet. We recommend consulting a physician prior to your visit if you are pregnant, have heart or circulatory conditions, or are sensitive to heat or cold. Guests who appear visibly intoxicated will not be permitted access to the Baths.

TREATMENTS & SERVICES

If you are enjoying the Baths before a treatment, we ask that you leave pools and steam at least 15 minutes before your service, allowing your body to cool, dry and settle. Gratuity for treatment practitioners is customary and appreciated.

RESERVATIONS & CANCELLATIONS

Modifications or cancellations must be made at least 24 hours in advance to baths@pocketbookhudson.com. No-shows and cancellations within 24 hours will be charged for in full, and subject to forfeiture of the reservation. Same and next-day reservations are within this cancellation window. Reservations may be transferred to another guest with advance notice.
